Founders' Circle Program

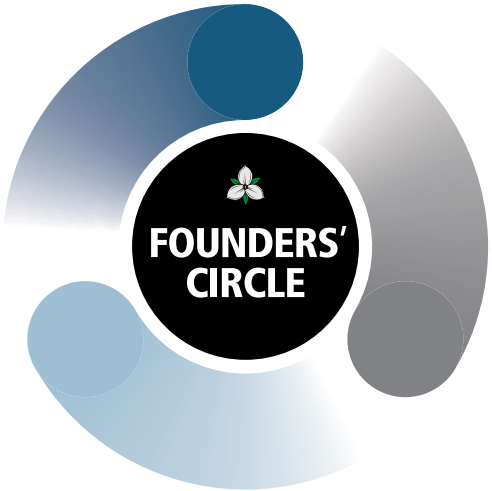

WHAT IS THE FOUNDERS' CIRCLE?

The Founders' Circle is an exclusive giving opportunity that brings together the visionary individuals and organizations who are helping to launch Ontario's first police foundation.

Together, we will transform how Halton supports its most at-risk youth and underserved community members. Members of the Founders' Circle are recognized not only for their generosity, but for their leadership, foresight, and commitment to a safer, more inclusive region.

Your Founders' Circle contribution supports critical, community-led programs that:

- Empower and engage at-risk youth
- Provide new opportunities for underserved individuals and families to thrive
- Address possible root causes of crime
